

AHA!
The support you need for
making health care decisions.

AHA puts your interests first. It is a phone based service. But, it's different from a nurse phone line. All state of Minnesota employees and your dependents can call AHA – whether you are a Blue Cross, HealthPartners or PreferredOne member.

Take advantage of AHA today! AHA can offer you:

- Help in making informed choices
- Answers to your tough questions
- Help finding the appropriate coverage and care
- Resource guidance
- One-on-one support

Plus, it's confidential and available at no additional cost!
